Party to proceedings: (Section 27(1) Administrative Procedure Code)

CIMTO, s.r.o., with its registered office at Líšeňská 2657/33a, Líšeň, 633 00 Brno, Id. No. 04050657

Statement of reasons:

On 17 June 2015, the Ministry of Transport received from CIMTO, s.r.o., with its registered office at Líšeňská 2657/33a, Líšeň, 633 00 Brno, Id. No. 04050657 (the "Applicant") its application (ref.no.: 30582/2015-MD-CKDP) for the commission to perform tests, attestations, allocation of UN codes of packages and controls under RID.

The application concerned packages - chapter 6.1, large packages - chapter 6.6 and large containers for bulk matters (IBC) - chapter 6.5 designated for transport under the RID conditions. A copy of the issued Certificate of Accreditation No. 399/2015 issued based on compliance with the respective accreditation requirements under the respective standards for the activities of "Testing packages and packaging means for packing general and dangerous goods specified in the attachment to this certificate" was attached to the application. The certificate has been issued by the National accreditation institute - Český institut pro akreditaci and it is effective until 22 February 2018.

Based on the above-mentioned facts, the Ministry of Transport took this decision in accordance with Section 67(1) of Act No. 500/2004 Coll., the Administrative Procedure Code, as amended, on the application of the party who proved its professional competence and compliance with the technical conditions determined in the award of this decision. Performing the railway transport, conditions determined for transport of dangerous goods under RID and other applicable laws must be complied with.

By this decision, the Ministry of Transport also reserves the right to control the compliance with the respective generally applicable laws and international treaties at performance of the said transports by the party to proceedings. In the case that lacks are established in tests subject to this commission, or in the case of failure to comply with the conditions determined by the applicable laws or this decision, the Ministry of Transport may request a remedy, or terminate the commission.

From the above-mentioned reasons, the Ministry of Transport has made the afore-mentioned decision.
